Subject: Request for 1 week time extension - Barney's Canyon Mine Plan Amendment (M/035/009)

I received a phone call for Rich Borden of KUCC this morning (5/30/00) requesting a one week extension to submit the revised mining and reclamation plan amendment for the Barney's Canyon Gold Mine. He has finished making the changes to the plan but KUCC management haven't finished reviewing same just yet.

I told him this shouldn't present a problem and verbally granted a week extension. He will call us sometime next week to arrange a time to come in and sit down with staff to go over the changes he has made to the MRP.

Joelle, Would you please arrange to place a copy of this email memo in the Kennecott Barney's Canyon Gold Mine file? Thank you.
